Dear Parents/Carers,

Try this new app.

1-Minute Maths

It helps build greater number confidence and fluency with 1-minute tasks!

It's perfect for Reception to Y2 or even beyond. It focuses on subitising, no bonds, adding 10, across 1, adding two tens within 100, bonds to 100, doubles, near doubles, subtracting and much more!

The best thing about this is that you don't need a login or internet access. Just need to download and play! Oh, and it's FREE!

So check it out, and please help us support your children.

Kind regards,

Ms R. Dhadwal
Maths Leader
