

Maths

All children will continue to be taught number discretely during their 1.1 sessions .

Maths topic area: Measurement

Spring 2: Chn will be continuing to sort, match, count and measure objects.

Life skills:

Children will be learning how to correctly brush their teeth and comb their hair.

Motor movement:

Children will have daily motor movements where they get to use the therapy balls and trampoline!

Sensory room:

Every day after lunch, the children will have a relaxation session in the sensory room.

Children will have weekly sensory play. This will involve children engaging in messy, water, sand and dried foods.

TACPAC:

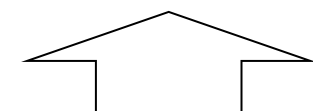

This is a sensory communication session using touch and music.

Attention Autism

This session aims to develop natural and spontaneous communication. There will be a focus on copying actions during these sessions.

Topic focus: Spring

Spring 2: Children will learn about the changes that happen during the season of Spring.

Beethoven Class

Spring 2

Writing and fine motor

All children will work on their individual writing skills during their 1.1 session, this could range from mark making and letter formation to name recognition and writing initial sounds of CVC words.

Fine motor:

- Threading
- Handwriting practice
- Cutting
- Developing their pincer and tripod grip

Reading

Children will learn their phonics through the 'Jolly Phonics' scheme daily.

They will be read to daily by an adult to work on their reading targets.

Story time:

Children will have a book they read each week and learn about the story sequence, characters and settings. This will be linked to their topic work.

Below are some of the books we will be reading:

The Very Hungry Caterpillar by Eric Carle

Tree by Patricia Hegarty

Poppy and the Blooms by Fiona Woodcock

Speech and language:

Children will work on their individual speech and language targets set by the therapist throughout the day, this will include using PECS and talk buttons. They will also have a daily 20-minute speech and language session.
