

### **Maths:**

- Children to learn about fractions, decimals and percentages. Children to solve problems involving their knowledge of these.

### **Computing:**

- Children will be exploring the use of concept maps in different subjects.

**Text: The girl of Ink and stars by Kiran Millwood Hargrave**

### **RE:**

What sources of wisdom are important to people?  
Children will be asking and responding to questions and comparing religions.

## Year 5 Summer 2

### **RSHE: Changing me**

Children to understand how humans change as they grow older.

### **PE:**

Outdoor: Athletics

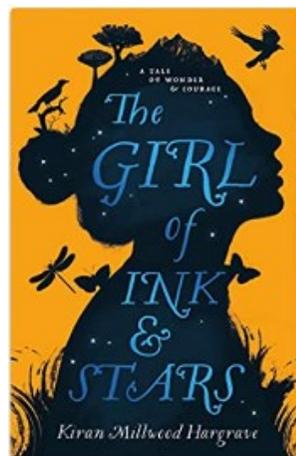

Children will learn throwing and running techniques from a range of athletic events.

Indoor: Dance

Children will learn different dance moves before creating their own dance.

### **DT:**

Textiles: Children will be designing and making a reusable bag.

### **Educational visits:**

Ilford Muslim Centre

Fairlop Waters

### **English:**

Children will be using inference and comparison skills to identify how a character changes throughout a book. They will be writing monologues to show their understanding of how characters feel as well as their own narrative.

### **Science:**

Children will be learning about animals including humans and living things and their habitats. The children will be using observational skills to identify how to classify animals as well as describe animals' life cycles.

### **Music:**

Storytelling Performance: Children will explain what musical theatre is and be able to recall at least three features of this kind of music.

### **French:**

Children will be learning about different rooms in the house.

## Ways in which you can support your child at home...

Below is a list of activities available on three different websites we subscribe to as a school, for which your child has their own login and password. These activities have been selected for your child to complete this half term, as they support learning in class. If you have difficulty accessing any of the sites, please contact your child's teacher.

### LGFL

Grammar explained: semi-colon, speech marks and suffixes  
Maths at home: fractions, percentages and decimals equivalences

### Doodle Maths

YR5 NFRA 11 - Recognise the percent symbol (%) and understand that percent relates to 'number of parts per hundred', and write percentages as a fraction with denominator 100, and as a decimal  
YR5 NFRA 2 - Identify, name and write equivalent fractions of a given fraction, represented visually, including tenths and hundredths  
YR5 NFRA 4 - Add and subtract fractions with the same denominator and denominators that are multiples of the same number

### Purple Mash

Activities titled:  
Information about mammals  
Information about amphibians  
Information about reptiles  
What do you know about fish?  
Story called 'Suffrajitus'  
Fraction wall  
Year 5 spelling  
ABC grammar

### Places to visit

We are very fortunate to live in an area surrounded by many wonderful places to visit. To support your child's learning this half term, why not consider taking a trip to:

- Redbridge Library to explore our upcoming topics.
- London Zoo shows a variety of different animals and explains how animals live in their habitats.
- Hackney City Farm allows you to look at animals and how they live. You are able to talk to the workers to find out about the animals' life cycles and may even get a chance to feed the animals!

### Reading

Year 5 children are expected to read for approximately 30 minutes, six times a week. Children in year 5 have the opportunity to change their book whenever required. Once a week, please sign your children's reading record.
