

Food Collection

In assembly today, a visitor from the homeless centre in Ilford talked to the children about the rising homelessness in our community and how we can help. From tomorrow we shall be collecting food and toiletries for the Welcome Centre and are asking children to bring in a donation. This may be tinned food, dried food or toiletries. Please note we are unable to accept fresh food. Our school council representatives will be taking these donations to the homeless shelter in Ilford shortly after being elected.

It would be fabulous if every child in the school could donate one item of food or toiletries to help those less fortunate than us.

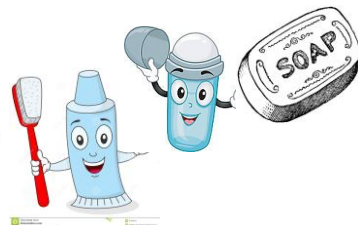

cans/packets of food

uncooked rice & pasta

toiletries
