EYFS Sports Personality Dress-Up Day – Fundraising Event

Dear Parents and Carers,

We are excited to announce that on **Wednesday 11th November 2026**, we will be holding a **Sports Personality Dress-Up Day** to raise funds to purchase balance bikes for our EYFS children.

Balance bikes will provide our children with valuable opportunities to develop their gross motor skills, balance, coordination and overall physical development. They will also encourage children to build confidence, develop independence, take turns and share with their peers, supporting their personal, social and emotional development.

To help us reach our goal, we kindly ask for a **voluntary contribution of £4 per child**. This will enable us to purchase four balance bikes for our setting. We would be extremely grateful for any additional contributions that families may be able to make, as this would help us purchase even more bikes and benefit more of our children. Our aim is to purchase bikes similar to the one below.

On the day, children are invited to come dressed as their favourite sports personality or in their favourite sports kit. We look forward to seeing the children's fantastic outfits and celebrating the wonderful world of sport together!

Thank you, as always, for your continued support and generosity. Your contributions will make a real difference to our children's learning, development and enjoyment.

Kind regards,

The EYFS Team
