Dear Parents / Carers,

At Mayespark, we strive for every child to develop a life long love of reading and we have a rigorous system in place to encourage every child to read regularly at home. Over the years, we have invested a huge amount of money to ensure that every classroom is resourced with a range of high-quality texts for our children to borrow.

Unfortunately, as our budget tightens, we are finding it harder to replace lost and damaged reading books. Please can you support us by returning any school books you may have collected at home. I can assure you, your child will not be told off for returning them late! We shall just be pleased to have more books available for other children to borrow.

To help us replenish our stock of reading books, please note that in future if a school reading book is lost or damaged, we shall be asking parents for a contribution of £2.

Thank you for your support in this matter. Every book counts!
