13th May 2022

Dear Parent/Carer,

This term the school council would like to raise money towards building a reflection garden at the school. The purpose of the garden is to have a space for the children to engage with nature and plants as well as an area to simply think and reflect.

To raise money for this exciting project, the school councillors will be hosting a "Sponsor an adult day" on Friday 27th May 2022. Children will sponsor adults at the school to complete funny tasks for the day such as wear pyjamas to school, talk in a different language, wear a wig etc.

Children wishing to take part should bring a minimum donation of £1 per adult, which will go towards the cost of building the garden. Children may wish to sponsor various adults in school so they can bring in more money if they would like.

Thank you for taking the time to read our letter. We hope that everyone will enjoy joining forces to raise money for this great project.

Yours faithfully,

Prabhnor

Manpreet Kaur
