Rocksteady School of Music

Dear Parents and Carers,

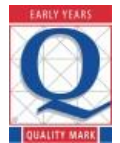

I am excited to share that the Rocksteady School of Music is continuing to provide children at Mayespark excellent musical experiences this year and are now able to offer more places.

The music school provide children at Mayespark an opportunity to form their own bands by taking part in musical instrument lessons once a week. Your child may choose to learn instruments such as guitars, drums and keyboards. More details are attached.

These lessons will happen during the school day. By being part of a band, your child will not only develop their musical knowledge but this will also contribute to a range of learning skills such as increasing their confidence and teamwork abilities, give them responsibility for their own learning, develop their listening and communication skills and also boost your child's wellbeing. These will all in turn then go on to support your child's learning and academic progress.

Information on how to sign your child up with the Rocksteady School of Music band lessons has been attached. As you can imagine this is a really exciting opportunity for your child and I believe places are limited. Therefore, I would suggest that you sign up for the lessons as soon as possible as places will be offered on a first come first served basis.

Yours sincerely,

Mrs Bhogal
Music Lead
