

Summer Term Newsletter

Welcome to our newsletter. Please find our news for this term.
Ms E Davies

Dear Families,

I cannot believe it is nearly the end of the school year already! The months have flown by. I feel very privileged to have been the Headteacher of such an amazing school for almost five years now. I hope you will agree this year has been full of successes with OPAL (Outdoor Play and Learning) and the introduction of the year four performance which was fantastic!

I am sad to announce that Mrs Kekkou and Mrs Sambee will be leaving us this year. Mrs Kekkou has been at Mayespark since 2001, twenty-four years! Mrs Sambee has worked at Mayespark since 2010, fifteen years! They have both had a very positive impact on all the children they have taught. We wish them all the best and we will miss them.

We will also be saying goodbye to our lovely year 6 cohort at the end of the academic year. They have now had their SATs results and they all did very well. When we have the official data in September I will let you know how we did as a school. I wish year six all the best as they move on to secondary school and hope they come back to see us when they can. It is always a pleasure to see them looking all grown up in their secondary uniforms.

We will be having our end of term picnic on 18th July in the afternoon, please send the children in with hats and snacks to eat during the picnic.

We will be returning to school on 3rd September. I hope you all have a restful and fun summer break.

Kind regards, Ms E Davies

Parents, don't leave younger children to come in through the gates alone!

We only have two members of SLT out on the playground in the mornings and we cannot supervise children who are alone. Both gates are open and children may wander off. Thank you.

Only years 5 and 6 can come to school alone.

Governors' Message

This term as part of our role of governors we spent a day in Mayespark focusing on different areas of the school development plan. This involved meeting and speaking with parents, classroom visits, pupil and staff voice, observing play at lunch time and our usual full board meeting. It was great to see so many great achievements of the school and how much progress has been made in specific areas over the past year. We would like to thank all the staff at Mayespark for their hard work and commitment to the school.

We continue to monitor and evaluate the strategic plan of the school and regularly carry out visits which focus on this.

The main themes of our strategic plan are:

- To sustain excellence in all areas
- Maintain a continuous improvement ethos
- Secure the schools reputation for personal development
- Have effective engagement between school / parents and the wider community
- Maintain financial stability

If you would be interested in joining our diverse board of governors please leave your details in reception, stating your experience and what you can bring to the role. We are particularly interested in parents / carers with a working background in law, finance or HR.

Please do not park on the Zig Zag lines outside school. They are in place to protect your children and others from danger!

Wearing a seat belt saves lives

For your own and others' safety, the law requires you to use a seat belt if fitted. Children up to 12 years old, or up to 135 centimetres in height, are required to use a child car restraint.

→ Wearing a seatbelt saves hundreds of lives every year. You should wear a seat belt in both the front and rear seats. Wearing a seatbelt in the back is just as important as wearing one in the front of the vehicle.

If you are sitting in the back of a car without a seat belt and you crash at 30mph, you will hit the front seat – and anyone in it – with a force of 30 to 60 times your own body weight.

→ This could result in death or serious injury to you and people sitting in the front seat.

Your compensation for injury resulting from an accident may be reduced if you are not wearing a seat belt.

The driver is liable to prosecution if a child aged under 14 years does not wear an appropriate seat belt which, for children aged under 12 years and shorter than 135 centimetres in height, means the correct child restraint.

Why not help your child learn how to ride a bike over the Summer?

They could go to the Velodrome in Stratford!

See this link for more information, Prices start for £7.75 for one hour.

Some see hard work. You see a Happy Ever After.

Foster for Redbridge Council.

You could be the one to teach a teenager independence and help to guide and coach them into adulthood and help with Prom outfits of course!

Over 300 children in Redbridge are unable to stay at home for a variety of different reasons and need foster care. Be the positive change that they need and help to make a difference to their life.

If you have a place in your heart and home to foster a young person, please call us on 020 8708 6068 or join us at our next virtual information session on 18 July 2025 10am to 11am. Visit <https://www.redbridge.gov.uk/fosteringschools> to book a place.
