26th January 2022

Dear Parents/Carers,

As you will be aware, our school follows a value-based curriculum where we promote and teach the values our school community chose together. We place particular importance on the children learning and demonstrating these values which contribute to them becoming positive members of society.

This half term we are celebrating the values of love and happiness. On **Thursday 3rd February 2022** we would like to invite children to come into school wearing an item of clothing of a colour that represents those values to them. Throughout the day children will be reminded of the importance of love and happiness and they will take part in activities which promote these values.

We look forward to seeing the lovely colours that the children choose.

Yours sincerely,

Values Team
