The image shows a grid of application icons on a dashboard. The icons are arranged in two rows. The first row contains: Gmail (red envelope), Drive (triangular logo), Classroom (green square with a person icon, circled in red), Docs (blue document), Sheets (green document), and Times Tables Rock Stars (purple square with text). The second row contains: Purple Mash (black square with text), SPaG (black square with text), Reading Planet (blue and orange circular logo), ClassDojo (green alien), Oxford Owl (brown owl), and NumBots (orange robot).

From here you will be able to access google classroom.
