Dear Parents/Carers,

Re: Year 6 Secondary School Transfer and SATs – Parents Information Meeting

As you know, your children will be assessed in May as part of the Statutory Assessment Tests (SATs) in English, mathematics and grammar, spelling and punctuation. We feel that it is really important that we work in partnership with you over the following academic year in order to support our children to do the best that they possibly can.

So that you can have a better understanding of the SATs, we would like to invite you all to a meeting at school to look at the types of tasks the children will be required to do.

The meeting will take place on the following date: **Monday 12th October 2026 at 3:30 pm** in the upstairs hall.

Year six children are welcome to attend if you wish but please do not bring younger children who cannot sit quietly during the presentation.

We will also be discussing the procedure for applying for a Secondary School. Please be aware that applications to secondary schools are now to be completed online and any documents that may be needed to support your application can also be found on the London Borough of Redbridge website, www.redbridge.gov.uk/eAdmissions. **The deadline for applications is 31st October 2026.**

We will also be taking this opportunity to discuss online safety and the importance of keeping children safe when using the internet, social media, online games and other digital platforms. We will be giving a short talk to parents/carers about some of the potential risks children may encounter online, as well as practical advice on how you can support your child in staying safe and making responsible choices online. We hope this will be a useful opportunity to share information and answer any questions you may have.

Please complete the slip on the bottom of the page to indicate if you will be able to attend this important meeting.

Yours faithfully,

Mrs Dhadwal
Year 6 Group Leader
