

Maths

- Numbers within 10
- Addition and subtraction within 10
- Shapes and patterns

Computing

- Computing systems and networks
- Technology around us
- Online Safety

PE

Outdoor: Games—fundamentals

Indoor: Gymnastics—Jumping Jacks

Music

Menu Song

- Active listening, echo singing

DT

- design and make a fruit snack for a class picnic
- select from and use a range of tools and equipment to perform tasks
- evaluating their product against the design criteria

Metacognition

What is Metacognition?

Writing Text:

Lost and Found by Oliver Jeffers

Year 1 Autumn 1

Writing

Children will learn to combine words into sentences and punctuate with a capital letter and full stop. Children will describe a new character and describe a setting.

They will write an adventure story with an animal, based on the structure of 'Lost and Found'.

Science

Everyday Materials – Children will understand that objects are made from materials. They will identify a range of everyday materials and their sources. Children will investigate the properties of materials and begin to recognise that a material's properties define its use.

Geography

Where do we come from? Children will be introduced to the world map and will plot their family's origins and discuss travel, family history and the purpose and of maps.

RE

How do religions celebrate the birth of a baby?

Children will explore the concept of belonging through the study of birth ceremonies in Christianity, Islam and Sikhism.

RSHE

Families and Friendship

To know about people who care for them (parents, siblings, grandparents, relatives, friends, teachers)

To know the role different people play in their lives.

Ways in which you can support your child at home...

Below is a list of activities available on different websites we subscribe to as a school, for which your child has their own login and password. These activities have been selected for your child to complete this half term, as they support learning in class. If you have difficulty accessing any of the sites, please contact your child's teacher.

BBC Bitesize

<https://www.bbc.co.uk/bitesize/subjects/zjxhfg8>

Numbots

<https://numbots.com/>

Log in is in your child's reading record.

https://lgfl.net/learning-resources/grid?field_resource_creator=151

<https://www.busythings.co.uk/play/>

Places to visit

We are very fortunate to live in an area surrounded by many wonderful places to visit. To support your child's learning this half term, why not consider taking a trip to the London Science Museum or London Zoo to see the penguins.

Reading

In Year 1 we expect that children read six times a week for at least 15 minutes. Please ensure that you sign your child's reading record. Please also read to your child, they will greatly benefit from this. Goodmayes Library is a wonderful place to visit to encourage your child's love of reading. Children can borrow lots of lovely new stories and read a wide range of books.

Autumn 1

This half term, the children are working towards achieving the target indicated below. The ultimate aim is for your child to be able to recall these facts instantly.

To know number bonds within 5.

To know the days of the week.

Vocabulary

one two
three four
five next
after Monday
Tuesday
Wednesday
Thursday
Friday Saturday
Sunday

Number bonds are two numbers that go together to make a target number. So number bonds to 5 are as follows:

Helpful hints:

- Use practical resources to consider bonds in a practical way.

Example of number bonds for 5:

Five teddies are sitting on a shelf, 1 fell off, how many are left?

Four are left!

Days of the week:

Include the days of the week in your conversations eg 'On Wednesday we have swimming club so today is Wednesday. What day will tomorrow be?
