Maths

Children will learn to multiply and divide using formal written methods and mental strategies. They will solve problems involving multiplication and division and practise interpreting discrete and continuous data using tables and graphs. Times tables practice will continue to support quick and accurate recall.

Science

Children will explore different habitats and how living things are suited to them. They will learn to group living things in various ways and investigate how environments can change and affect organisms.

Computing

Children will learn to record and edit sound using digital tools. They will explore how audio is used to share ideas and continue learning about online safety and computer parts.

Music

Children will continue to receive lessons delivered by the Redbridge Music provision. Each child will learn to play a Ukulele .

French

Children will be learning about activities that they can do in their free time.

Educational visits

Cultural Capital: Bowling & Lunch

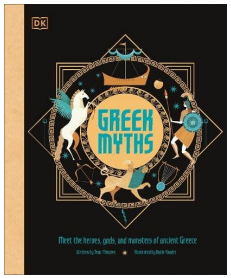

RE: Synagogue

Text Survivor: Greek Myths by Jean Menzies

Destination Reader Text: Charlotte's Web by E.B. White

Year 4 Autumn 2

English

Children will explore a number of Greek Myth's before rewriting the adventures of Odysseus.

History

Children will be recapping the life and times during Ancient Greece and its impact on Britain. We will research and compare the period with current times and say which one we prefer and why.

RE

Children will learn about places of worship and will explore practices adopted by different religions.

RSHE

Children will be celebrating differences, including the values of respect and tolerance.

PE

Outdoor: Net Games - learning to move towards a target with accuracy

Indoor: Dance

Art

Children will use mixed mediums such as paints, fabrics, paper, natural materials to create collages.

Metacognition

What strategies are there to help improve my growth mindset?

Ways in which you can support your child at home...

Below is a list of activities available on the websites we subscribe to as a school, for which your child has their own login and password. These activities have been selected for your child to complete this half term, as they support learning in class.

If you have difficulty accessing any of the sites, please contact your child's teacher.

Times tables

https://ttrockstars.com/

These websites are free to access:

Maths

https://www.timestables.com/

https://www.topmarks.co.uk/maths-games/hit-the-button

Year 4 grammar

Places to visit

We are very fortunate to live in an area surrounded by many wonderful places to visit. To support your child's learning this half term, why not consider visiting the British Museum and Redbridge or Goodmayes Library to find out more about the Romans.

Reading at home

Your child should bring one reading books home from school, a banded book appropriate for their reading ability. Please make some time to read to/with them every day and once a week comment in their reading record. We expect year 4 children to read for **20-30 minutes at least 6 times a week**. Please speak to your child's class teacher if you have any further questions about the books your child is bringing home.
