Year 5 Spring 2

English

Exploring poetry and biographies, writing our own inspired by the poet's and author's style.

Science

Children will be learning about living things and their habitats

Geography

Children will be exploring who needs the rainforest more. They will describe the deforestation process and effects on environment, climate and people, including seeing more than one viewpoint.

Ways in which you can support your child at home...

Below is a list of activities available on three different websites we subscribe to as a school, for which your child has their own login and password. These activities have been selected for your child to complete this half term, as they support learning in class. If you have difficulty accessing any of the sites, please contact

LGFL

Grammar explained: semi-colon, speech marks and suffixes

Maths at home: fractions, percentages and decimals equivalences

Purple Mash

Activities titled:

ABC grammar

Life cycle of an animal

Growing and changing

Places to visit

We are very fortunate to live in an area surrounded by many wonderful places to visit. To support your child's learning this half term, why not consider taking a trip to:

- Redbridge Library to explore our upcoming topics.
- Science Museum to look at the displays on humans and animals.

Reading

Please ensure your child reads their school banded book for **at least 30 minutes 6 times a week**. Teachers expect reading records to be completed and brought into school daily.
