Monday 12th February 2024

Dear Parents and Carers,

At Mayespark we believe that our children should leave Primary school with the confidence and skills to make decisions, self-evaluate, make connections and become lifelong learners.

With this in mind we have arranged for Year 5 to take part in first aid training on Monday 4th March. The training will concentrate on the First Aid basics: Dialling 999 – CPR – Burns – Bleeding – Bumps – Choking – Nose bleeds – D.R.A.B.C plus a few little extras.

The training will last for 90 minutes per class and each child will go home with their own copy of the book 'First Aid at Home' along with a certificate. All equipment will be cleaned before, during and after each training session. We know that the children will be very excited after the training and will want to share all that they have learnt with you at home.

In addition, on Friday 8th March Year Five will continue their 'Adopt a Chef' programme through the Royal Academy of Culinary Arts. Through this project, every child will learn about food in a holistic sense to ensure they have the confidence to eat well, be healthy and happy. This programme helps children to develop healthy eating habits and encourages an enthusiasm and interest in food, cooking, food provenance and sustainability, as well as giving an insight into the hospitality industry.

The total cost of these visits will be £2.50. Please pay via ParentPay by Thursday 29th February.

I am confident that your child will enjoy both of these events and that they will learn key life skills for the future.

Thank you,

Mrs Ige

Assistant Headteacher
